SEA SMOKE

Sea Smoke's wear layer is constructed from 4mm solid European White Oak Hardwood and its core is comprised of layers of plywood. Straight Plank flooring is one of the most sought after hardwood choices in the US. All of these layers combined result in a 5/8" total plank thickness and each plank measuring 10-1/4" in width.

SPECIFICATIONS:

BEVEL	:	Micro
COLLECTION	:	Barletta
COLOR	:	Natural
CONSTRUCTION	:	Engineered Hardwood
FINISH	:	Oil
