BIANCA

Bianca's wear layer is constructed from 3mm solid Maple Hardwood and its core is comprised of layers of plywood. Straight Plank flooring is one of the most sought after hardwood choices in the US. All of these layers combined result in a ⅝" total plank thickness and each plank measuring 7-½" in width.

SPECIFICATIONS:

BEVEL	:	Micro
COLLECTION	:	Cara Bellisima
COLOR	:	Light
CONSTRUCTION	:	Engineered Hardwood
FINISH	:	UV Lacquer
GRADE	:	ABCD (Character)
INSTALLATION PATTERN	:	Straight Plank
