

With flooring manufactured by ADM, you can set up the ageless look of SPC Vinyl Plank Flooring by implementing your own design expertise to the color and finish. ADM Flooring collection provides customers with a product perfectly made for their home and budget. The Tirreni guarantees an economical choice within our ABCD grade. With an EIR surface texture and water resistant color we assure you that it will give a modern feel to your current or upcoming renovation. Tirreni planks come with a micro bevel and a Valinge 5G click system.
