

AREZZO

ADM

FLOORING

PRODUCT DESCRIPTION

Arezzo's wear layer is constructed from 3mm solid Canadian Maple Hardwood and its core is comprised of two to nine-layer plywood. Straight Plank flooring is one of the most sought after hardwood choices in the US. All of these layers combined result in a 5/8" total plank thickness and each plank measuring 6-1/2" in width.

With flooring manufactured by ADM, you can set up the ageless look of Canadian Maple engineered hardwood flooring by implementing your own design expertise to the color and finish. ADM Flooring collections provide customers with a product perfectly made for their home and budget. Arezzo guarantees an economical choice within our ABCD (Character) grade. We assure you that it will give a modern feel to your current or upcoming renovation with its classic Light Canadian Maple color and style combination.

Each box of Arezzo contains 19.18 square feet of engineered hardwood. It has Smooth surface texture and the planks are Random Up to 73" (Most pieces are 73") long. Our flooring is constructed from layers of plywood, topped with a solid Canadian Maple veneer.

PLEASE NOTE: True color may vary based on your monitor settings.

PRODUCT DESIGN AND SPECIFICATIONS

Bevel: Micro
