MARINO

Marino's wear layer is constructed from 2mm solid European White Oak Hardwood and its core is comprised of two to nine-layer plywood. Straight Plank flooring is one of the most sought after hardwood choices in the US. All of these layers combined result in a 1/2" total plank thickness and each plank measuring 7-1/2" in width.

SPECIFICATIONS:

INSTALLATION METHOD: NAIL / GLUE / FLOATING

BEVEL	:	Micro	PLANK CONNECTION	:	Tongue and Groove
COLLECTION	:	Romagna	PLANK LENGTH	:	Random Up to 6ft (Most pieces are 6ft)
