

RICCA NOCE (XDF)

Benevento Collection

PRODUCT DESCRIPTION

Introducing Ricca Noce, a very popular color from our selection of XDF flooring, the ultimate solution for those seeking unparalleled durability and style. Engineered to withstand the toughest of conditions, XDF stands out as a true champion with its 100% waterproof structure. Say farewell to worries about spills, moisture, or water damage, as this innovative flooring solution ensures complete protection in almost any environment, from kitchens to bathrooms and beyond.

Crafted with scratch-resistant technology, Ricca Noce guarantees long-lasting beauty, maintaining its pristine appearance even in high-traffic commercial areas. Safety is paramount, and this flooring is fortified with fire-resistant and slip-resistant attributes, providing peace of mind for you and your loved ones. With its world known Uniclic® system, installation becomes a breeze, allowing for effortless plank joining without the need for high installation charges, messy adhesives, or complicated procedures.

From its unmatched durability to its seamless installation process, Ricca Noce XDF is the epitome of functionality and elegance. Elevate your space with confidence, knowing that this flooring option not only enhances the aesthetics of your environment, but also provides exceptional protection against water damage, making it the ideal choice for any home or commercial setting.
